

CSA Application 2017

Farmer's Choice Membership

Welcome to Clover Nook Farm CSA!

Thank you for your interest in Clover Nook Farm's Community Supported Agriculture Program (CSA). As a Farmer's Choice Member, you will receive a weekly share of fresh vegetables, fruit, herbs, and other agricultural products offered at Clover Nook Farm from mid June until the end of October (18 weeks in total). As a Farmer's Choice member, you must realize that the quality and quantity of the season's harvest is dependent on the weather and other environmental factors out of our control. Clover Nook appreciates this support, and in return, we at Clover Nook pledge to provide the best variety of products and quality of service that we can. As a Farmer's Choice member, I also agree to the following:

- The full amount for my chosen share size is **due with this application**.
- I agree to pick up my share each week during regular store hours at the farm **on the day chosen below**, my share will be forfeited otherwise.
- If I cannot pick up my share on my chosen day, I will contact Clover Nook Farm **at least one day prior** to my pickup day to make special arrangements for that week.
- If I am going to miss a week, I can arrange for someone else to pick up my share by contacting Clover Nook Farm **at least one day** in advance.
- If two people authorized to pick up my share, I understand we can only pick our share up once per week and that it is our own responsibility to divide the share.
- I have read and understand the Clover Nook Farm CSA information brochure and FAQ sheet.
