

Welcome to Clover Nook Farm's CSA!

Thank you for your interest in Clover Nook Farm's Community Supported Agriculture Program (CSA). As a Credit Member, you will receive the perk of paying in advance for purchases you make during our growing season. This line of credit may be used to purchase any product at the Clover Nook Farm stand. As Credit Members, you must realize that the quality and quantity of the season's harvest is dependent on the weather and other environmental factors out of our control. Clover Nook appreciates this support, and in return, we at Clover Nook pledge to provide the best variety of products and quality of service that we can. As a Credit Member, I agree to the following:

- The full amount due for my chosen Line of Credit **is due with this application.**
- I understand that if there is any credit remaining on my share, **it does not roll over** to the following year and any credit remaining at the end of the season **is not refundable.**
- I understand that the signing bonus credit given is only for this initial payment. If I desire to add money to my line of credit after this application is submitted I will not receive any bonus credit.
- If I have two people authorized to use the line of credit, I understand it is our own responsibility to divide the share between us.
- If I wish to authorize an additional person to be able to use my line of credit I must personally contact Clover Nook Farm.
- If I desire to know the balance on my line of credit, I can ask Clover Nook Farm at any time.
- I have read and fully understand the Clover Nook Farm CSA brochure and FAQ sheet.
